CONSIDER A RESOLUTION AUTHORIZING AND DIRECTING THE ISSUANCE OF 2020-01 GENERAL OBLIGATION TEMPORARY NOTES FOR SANITARY SEWER IMPROVEMENTS SERVING SOUTHEAST GROWTH CORRIDOR AND ARBOR CREEK

Brian Silcott presented a proposed resolution authorizing the issuance, sale, and delivery of General Obligation temporary notes in the principal amount \$1,290,000 for a term of 2 years. The notes will be issued in denominations of \$100,000 with one as a \$112,000 note. Interest and issuance costs will be included upon conclusion of the placement. Closing date is May 7, 2020 with annual payments occurring on June 1 and December 1. The first payment will occur on December 1, 2020 with a two-year term ending on December 1, 2022. This term period coincides

with the issuance timeline of the Arbor Creek Addition special assessment petitions. The notes can be redeemed in whole or in part on or after December 1, 2021. The bonds were placed with the best bid being Commerce Bank of Kansas City, Missouri, with an interest rate of 1.300% interest costs of \$34,926.67. The principal amount of \$1,300,000 with a \$1,500 discount for a total purchase price of \$1,298,500 in accordance with terms identified above.

MOTION: Councilmember *Proctor* moved to adopt the proposed resolution. The motion was seconded by Councilmember *Zimmerman*. The motion passed unanimously.

Resolution 20-07

CONSIDER AN ORDINANCE FOR ARBOR CREEK ENTRANCE VACATION

Micah Scoggan, City Planner presented a proposed ordinance vacating a portion of an existing platted land dedicated for street right-of-way across certain real property within the corporate limits of the city of Goddard, Kansas. Scoggan said the City received a request from Arbor Creek Development, LLC requesting the realignment the north entrance to the Arbor Creek subdivision located at 23rd and 183rd, which will require a vacation of a portion of the entrance and a new dedication of a portion of the street right-of-way to shift the street slightly more to the east. At the April 13, 2020 regular Goddard Planning Commission meeting recommended the approval of the “Arbor Creek Street” realignment.

MOTION: Councilmember *Larkin* moved to waive the reading of the ordinance. The motion was seconded by Councilmember *Leland*. The motion passed unanimously.

MOTION: Councilmember *Proctor* moved to adopt said ordinance. The motion was seconded by Councilmember *Leland*.

CONSIDER A PROPOSAL FOR REPLACING FENCE AT THE WASTEWATER TREATMENT FACILITY

Brooke Brandenburg, Public Works Director explained that in late February Public Works was contacted by Baughman Engineering and was informed that the fence separating the City wastewater treatment facility from the Clover Leaf Farms subdivision extends over the property line onto Clover Leaf Farms property. After having the property line surveyed, we learned the existing fence extends as far as 6.5 feet over the property line for approximately 800-900 feet.

The current fence is a well-worn five-foot-tall chain link with no barbed wire topper. Public Works proposes replacing the fence with an eight-foot-tall chain link fence with a three-strand barbed wire topper. Relocating the fence requires the demolition and replacement of 2000 feet of fencing.

The new fence will remedy the issue with the fence extending across the property line onto Clover Leaf Farms property. The new fence will also serve as a solid barrier making it more difficult for a child to gain access to the waste-water lagoons and treatment facility. The City received four bids for the removal and construction of the fencing.

Bids were carefully evaluated by staff and reviewed based on relevant experience, project understanding, ability to perform project requirements, and proposed fees. While the city received several bids from contractors capable of performing the desired scope of work, staff has determined that Arambula Construction submitted the bid that most accurately reflects the City's bid selection process criteria. The total cost of Arambula Construction building a new 2000-foot-long, 8-foot-high chain link fence with a three-strand barb wire topper is \$28,337.93 and will be allocated 100% to 90-830-8240.

MOTION: Councilmember *Zimmerman* moved to approve the installation of the 8-foot chain link fence with a three-strand barb wire topper for \$28,337.93 and to allocate the expenditure as presented. The motion was seconded by Councilmember *Larkin*. The motion passed unanimously.

CONSIDER WELL #4 INSPECTION AND MAINTENANCE

Brooke Brandenburg stated water well #4 has developed a noticeable vibration when in operation. Proper diagnosis of the vibration requires the removal and inspection of the well column and electric pump motor. The amount of maintenance and repairs required will be determined during disassembly and inspection. Repairs could include a complete rebuild of the well column and/or a rebuild or replacement of the electric well motor.

Brandenburg said the proposed cost of repairs depends on the amount of wear/damage found during disassembly and inspection. Known costs are \$8,065, which covers the cost of pulling and inspecting the well column, pump, and motor. Additional costs may include rebuilding/repairing the well column for \$9,114.45, and/or \$5,548.00 for a new Tesco-Westinghouse electric motor. Total project costs could exceed \$20,000. Public Works is requesting spending approval of \$25,000 to cover known and unknown repair costs and will be allocated 100% to 82-830-8240.

MOTION: Councilmember *Zimmerman* moved to approve the inspection and repair of Well #4 up to \$25,000 and to allocate the expenditure as presented. The motion was seconded by Councilmember *Larkin*. The motion passed unanimously.

CONSIDER AN AGREEMENT FOR SLUDGE REMOVAL AT THE WASTEWATER TREATMENT FACILITY

Brooke Brandenburg presented a contract for sludge removal at the Wastewater Treatment Facility and explained that the wastewater sludge is a semi-solid material produced during sewage treatment of municipal wastewater. The City is required to properly remove, transport, and dispose of sludge in compliance with regulations and guidelines set forth by the Kansas Department of Health and Environment (KDHE). The City of Goddard currently maintains an annual agreement with Agri Environmental Services LLC of Sedgwick, Kansas for the removal of wastewater sludge at the Goddard Wastewater Treatment Facility. The agreement states that Agri Environmental Services LLC will haul and spread up to 150 tons of sludge annually at the

cost of \$2,500 per month. The previous contract expired on April 15th and Agri Environmental Services LLC has requested an increase in fees increasing costs from \$2,000 per month to \$2,500 per month. Agri Environmental Services LLC attributed the cost increase to higher general operating costs. The proposed cost increase by Agri Environmental Services is the first cost increase for wastewater sludge removal since 2016.

The cost is included in the annual operating budget of the wastewater treatment facility and may be found in line item 30-860-6460.

MOTION: Councilmember *Larkin* moved to authorize the agreement with Agri Environmental Services for \$2,500 per month or \$30,000 annually. The motion was seconded by Councilmember *Proctor*. The motion passed unanimously.

DISCUSSION OF COVID-19 HAZARD PAY

Matt Lawn, City Treasurer, explained that staff received a request from a couple of City Council Members to present this item for discussion.

Workers in essential occupations are being provided little additional support during the COVID-19 pandemic, and some policymakers are proposing the use of hazard pay (additional financial support often used in industries with high probability of death or injury) to compensate essential workers for the risks they are taking.

At their regular meeting on April 8, 2020, the Sedgwick County Board of Commissioners approved hazard pay for County staff. First responders and other employees directly in contact with the public will receive \$100 per week in hazard pay. Other employees not in direct contact with the public, but who's jobs are deemed essential to the community's health and wellness, are to receive an additional \$50 per week.

The County made hazard pay effective for the next two pay periods, with further board approval needed to extend the program.

The City management team recommends extending hazard pay benefits to City personnel. The proposal mirrors the County hazard pay program in providing a weekly bonus of \$100 to employees directly in contact with the public (Public Works and Police staff), and a weekly bonus of \$50 to essential employees not in direct contact with the public.

Staff recommends making the benefit retroactive for the pay period ending April 12, 2020, and extending it for the pay periods ending April 26, May 10, and May 24, 2020. If significant progress toward ending the pandemic has not occurred by the regular City Council Meeting of May 18, staff will propose extending the hazard pay program into the month of June at that time.

MOTION: Councilmember *Larkin* moved to provide hazard pay of \$100 per week to first responders and other workers directly in contact with the public and \$50 per week for employees not in direct contact with the public as presented. The motion was seconded by Councilmember *Leland*. The motion passed unanimously.

WATER AND SEWER RATE STUDY

Matt Lawn stated the Mayor and City Council have expressed interest in lowering the monthly water and sewer bills for low consumption customers. During the 2020 Budget development process, the City Treasurer proposed a set of rate changes that would lower the base rates for water and sewer bills and increase the rates for consumption.

Due to the limited functionality of the City's accounting system software, it was difficult to determine how much the proposed rate changes would affect customers with moderate to high consumption. The Mayor and Council expressed interest in contracting with a consultant to appraise the City's utility rate structure and offer alternatives to the City Treasurer's proposal.

The City received a quote for a comprehensive utility rate study from MGT Consulting Group. In a partnership with GovRates, Inc, MGT proposes a comprehensive rate study that would include the following scope of services:

- Working with the City to establish business and financial goals, objectives, and targets to be incorporated into the financial and rate plan for each system. The plan should consider best management practices as recognized by the utility industry.
- Developing an in-depth understanding of each system's operations and processes such that the cost of service and revenue necessary to fully fund the system's operations can be identified.
- Developing optimal funding and financing strategies for the multi-year capital improvement program to minimize rate increases and help keep rates affordable and competitive while adhering to utility best management practices.
- Classifying costs as appropriate among customer classes and developing equitable and defensible rates, fee, and charges for each customer class.
- Performing rate / bill comparisons and benchmarking with other utilities.
- Developing high-quality, state-of-the-art, customized, and easy-to-use financial planning models that properly represent each utility's business attributes and allows for scenario, sensitivity, and risk assessment analyses given changes in key assumptions such as system growth, usage per customer, staffing changes, capital needs, etc. The models will have graphical management dashboards to allow the City to analyze the forecasted financial position of the utility system, to evaluate funding and rate scenarios, and to determine potential risks and business strategies. The management dashboard will graphically represent financial and operational metrics that add value to the presentation of the financial forecast results for each scenario that the City would like to explore.
- Preparing a comprehensive report documenting all assumptions, methodologies, and findings. A detailed report will help the City staff reconcile projected vs. actual results and will provide assurance that all relevant operational and financial considerations were incorporated into the financial plan.
- Providing easy-to-understand briefing documents and other deliverables to facilitate public acceptance of the study recommendations.

The project deliverables will include:

- Initial data request for information compilation.
- Financial models for all rates evaluated – drafts and final.

- Rate / bill comparisons of existing and proposed rates among customer classes and benchmarking with neighboring or other jurisdictions.
- Comprehensive rate study report providing the assumptions, findings, and conclusions of the study – drafts and final.
- Briefing document for presentation of study results to the City Council – drafts and final.

MGT hopes to complete the study within 45 days of project initiation. This timeline should provide for the results to be consulted in developing the 2021 Water and Sewer Utility Funds budgets.

MGT proposes a Not-to-Exceed budget of \$23,800. This assumes a level of service of up to 180 hours to complete the project. The project will be invoiced on a monthly basis based on the percentage of the progress achieved.

Staff proposes using Water and Sewer Replacement reserves to fund this capital expenditure. Currently the Water Reserve Fund balance is \$328,093, and the Sewer Replacement Reserve has a fund balance of \$138,879. The cost allocation would not exceed \$11,900 from either individual fund.

MOTION: Councilmember *Proctor* moved to approve the rate study. The motion was seconded by Councilmember *Leland*. The motion failed 3-2.

CITY ADMINISTRATORS REPORT

Brian Silcott, City Administrator presented the City Administrator's Report of April 20, 2020.

GOVERNING BODY COMMENTS

Councilmember Larkin wanted to clarify that he is for lowering utility rates for low consumption users but said that he doesn't want to spend \$23,800 for a study.

Councilmember Zimmerman expressed his concern for the approval of \$30,000 for the Chamber of Commerce at the previous council meeting. Zimmerman asked the City Attorney if it is a conflict of interest for City Council members that are also members of the Chamber to vote on approving funding to the Chamber. City Attorney Ryan Peck said it is not.

ADJOURNMENT

MOTION: Councilmember *Zimmerman* moved to adjourn the regular meeting. Councilmember *Traylor* seconded the motion. The motion carried unanimously.

*Meeting adjourned at 8:26 pm.

**City of Goddard
City Council Meeting
May 4, 2020**

TO: Mayor and City Council
SUBJECT: Authorize Offering for Sale Series 2020-02 General Obligation
Bonds Financing STAR Bond District Infrastructure Improvements
INITIATED BY: City Administrator
AGENDA: New Business

Background: At the May 16, 2016 meeting the City Council unanimously approved Resolution 16-07. This resolution authorized the project for infrastructure improvements. The Series 2016-2 notes authorized \$770,000 with \$631,650 for street/roadway improvements, \$84,150 for sewer improvements, and \$54,200 for water improvements. Administration of the STAR Bond project has always intended to for the temporary notes to be converted to long term bonds with a 15-20 year duration. The temporary notes were sold to Central States Capital Markets with an average interest rate of 1.21% and known as Issuance Series 2016-2 at the June 20, 2016 Regular City Council Meeting.

On May 21, 2018, the City Council unanimously approved the authorizing the sale/offering of the notes as a private placement of the 2016-2 temporary note series as 2018-2 temporary note series.

On June 4, 2018 the City Council approved a resolution placing the 2018-2 temporary note issuance with the best offer from Emprise Bank with an interest rate of 2.22% and payments occurring on or before January 1 and July 1 of each year. The temporary notes mature on July 1, 2020. Total payments made for this issuance is \$760,000, which includes the capitalized interest costs of the original Series 2018-2 issuance.

Analysis: In short, this resolution issues \$835,000 in principal to refund the 2018-2 General Obligation Temporary Note totaling \$768,436.00, capitalizes the first year of interest until the STAR Bond site begins to generate property tax that will pay for this debt issuance at a cost of approximately (subject to final interest rate at placement) \$33,997.26. Issuance costs of \$32,000 with an estimated \$566.74 in slippage costs is also included in the 2018-02 principal amount.

Payment begins October 1, 2020, with interest only payment being made for fiscal years 2020, 2021, and 2022 with the first principal payment occurring on October 1, 2033. The payment schedule is set to occur on or before April 1 and October 1 of each year to coincide with the City's other General Obligation issuances and the cash flow of special assessment and property tax collections. The best offer will be presented at the June 1, 2020 regular meeting. The issuance can be redeemed after October 1, 2026. The Bonds are rated as AA- by S&P Global Ratings and will be delivered on or around June 30, 2020.

The resolution also authorizes staff and the City's representatives (Gilmore & Bell as Bond Counsel and Stifel, Nichols & Co. (formerly George K Baum) as Financial Representative), the Mayor and City Staff to complete the terms of bond resolution (evidence of the formal Governing Body action), prepare and approve the Preliminary Official Statement, provide notice of the bond sale for a private placement, and to take the necessary actions to complete the terms of the bond sale.

Financial: The 2018-2 General Obligation Bond payments will be made from the City's Bond & Interest Fund. As noted in the background narrative and *Exhibit H.1.b Excerpt of Minutes* the intent of this issuance has been to permanently finance the costs of the infrastructure improvements to allow for the primary beneficiary properties to cash flow the cost of the improvement. Failure to approve the issuance will require payment of \$760,000 by July 1, 2020.

Legal Considerations: Approved as to form and authored by City Bond Counsel Kevin Cowan and Reviewed by City Attorney Ryan Peck.

Recommendations/Actions: It is recommended the City Council: Approve the proposed resolution.

RESOLUTION NO. 20-__

A RESOLUTION AUTHORIZING THE OFFERING FOR SALE OF GENERAL OBLIGATION BONDS, SERIES 2020-2 OF THE CITY OF GODDARD, KANSAS.

WHEREAS, the City of Goddard, Kansas (the “Issuer”), has previously authorized certain improvements described as follows (the “Improvements”):

<i>Project Description</i>	<i>Ord./Res. No.</i>	<i>Authority</i>	<i>Estimated Cost</i>
Public Improvements Project ; and	16-07	K.S.A. 14-750 and K.S.A. 14-571, as amended by Charter Ord. No. 12 of the Issuer	\$770,000

WHEREAS, the Issuer desires to issue its general obligation bonds in order to permanently finance the costs of such Improvements and to retire the following temporary notes of the Issuer, which were issued to temporarily finance a portion of the costs of the Improvements (the “Notes”):

<u>Description</u>	<u>Series</u>	<u>Dated Date</u>	<u>Maturity</u>	<u>Amount</u>
General Obligation Renewal Temporary Notes ; and	2018-2	June 28, 2018	July 1, 2020	\$760,000

WHEREAS, the governing body of the Issuer is authorized by law to issue general obligation bonds to pay the costs of the Improvements; and

WHEREAS, the Issuer has selected the firm of Stifel, Nicolaus and Company, Inc., Wichita, Kansas (“Financial Advisor”), as financial advisor for one or more series of general obligation bonds of the Issuer to be issued in order to provide funds to pay the costs of the Improvements and retire the Notes; and

WHEREAS, the Issuer desires to authorize the Financial Advisor to proceed with the offering for sale of said general obligation bonds and related activities; and

WHEREAS, one of the duties and responsibilities of the Issuer is to prepare and distribute a preliminary official statement relating to said general obligation bonds; and

WHEREAS, the Issuer desires to authorize the Gilmore & Bell, P.C., Wichita, Kansas (“Bond Counsel”), in conjunction with the Financial Advisor and Clerk to proceed with the preparation and distribution of a preliminary official statement and notice of bond sale and to authorize the distribution thereof and all other preliminary action necessary to sell said general obligation bonds; and

WHEREAS, it is necessary and advisable to increase the estimated cost and authorized bond amount for the Improvements, to account for additional interest on financing for such Improvements.

BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF GODDARD, KANSAS, AS FOLLOWS:

Section 1. The Issuer is hereby authorized to offer for sale the Issuer's General Obligation Bonds, Series 2020-2 (the "Bonds") described in the Notice of Sale, which is hereby approved in substantially the form presented to the governing body this date. All proposals for the purchase of the Bonds shall be delivered to the governing body at its meeting to be held on the sale date referenced in the Notice of Sale, at which meeting the governing body shall review such bids and award of the sale of the Bonds or reject all proposals.

Section 2. The Mayor, Clerk and City Administrator, in conjunction with the Financial Advisor and Bond Counsel, are hereby authorized to cause to be prepared a Preliminary Official Statement relating to the Bonds (the "Preliminary Official Statement"), and such officials and other representatives of the Issuer are hereby authorized to use such document in connection with the sale of the Bonds.

Section 3. The Clerk, in conjunction with the Financial Advisor and Bond Counsel, is hereby authorized and directed to give notice of the bond sale by publishing a Notice of Intent to Seek Private Placement before the date of the sale in a newspaper of general circulation in Sedgwick County, Kansas, and the *Kansas Register*, and by distributing copies of the Notice of Bond Sale and Preliminary Official Statement to prospective purchasers of the Bonds. Proposals for the purchase of the Bonds shall be submitted upon the terms and conditions set forth in the Notice of Bond Sale, and awarded or rejected in the manner set forth in the Notice of Bond Sale.

Section 4. The Mayor and Clerk are each hereby authorized to approve the form of the Preliminary Official Statement and to execute the "Certificate Regarding Preliminary Official Statement" in substantially the form attached hereto as *Exhibit A* as approval of the Preliminary Official Statement, such official's signature thereon being conclusive evidence of such official's and the Issuer's approval thereof.

Section 5. The Issuer agrees to provide to the Purchaser within seven business days of the date of the sale of Bonds or within sufficient time to accompany any confirmation that requests payment from any customer of the Purchaser, whichever is earlier, sufficient copies of the final Official Statement to enable the Purchaser to comply with the requirements of Rule G-32 of the Municipal Securities Rulemaking Board.

Section 6. The City Administrator is hereby authorized and directed to execute the engagement letter related to services to be provided by the Financial Advisor.

Section 7. It is hereby authorized, ordered and directed that the Improvements be completed at a cost, including interest and financing costs, of \$835,000, with approximately \$91,250 of such estimated cost associated with the sewer infrastructure portion of the Improvements, approximately \$58,775 of such estimated cost associated with the water infrastructure portion of the Improvements and with approximately \$684,975 of such estimated cost associated with the street and roadway infrastructure portion of the Improvements. The costs of the Improvements and associated interest and financing costs shall be payable, in whole or in part, by the issuance of general obligation bonds of the Issuer under Charter Ordinance No. 12 of the Issuer.

Section 8. The Mayor, Clerk, and the other officers and representatives of the Issuer, the Financial Advisor and Bond Counsel are hereby authorized and directed to take such other action as may be necessary to carry out the sale of the Bonds.

Section 9. This Resolution shall be in full force and effect from and after its adoption.

ADOPTED by the governing body on May 4, 2020.

Re: City of Goddard, Kansas, General Obligation Bonds, Series 2020-2

The undersigned are the duly acting Mayor and Clerk of the City of Goddard, Kansas (the "Issuer"), and are authorized to deliver this Certificate to the addressee (the "Purchaser") on behalf of the Issuer. The Issuer has previously caused to be delivered to the Purchaser copies of the Preliminary Official Statement (the "Preliminary Official Statement") relating to the above-referenced bonds (the "Bonds").

To the knowledge of the Issuer, the information contained in the Preliminary Official Statement, other than the sections entitled "The Depository Trust Company," "Bond Ratings," "Legal Matters," "Tax Matters," and *Appendices B* and *C*, for which the Issuer expresses no opinion, and except for the omission of such information as is permitted by the Rule, such as offering prices, interest rates, selling compensation, aggregate principal amount, principal per maturity, delivery dates, ratings, identity of the underwriters and other terms of the Bonds depending on such matters, is true in all material respects, does not contain any untrue statement of a material fact and does not omit to state a material fact necessary in order to make the statements made, in the light of the circumstances under which they were made, not misleading.

NOTICE OF SALE

\$835,000*

CITY OF GODDARD, KANSAS

**GENERAL OBLIGATION BONDS
SERIES 2020-2**

(GENERAL OBLIGATION BONDS PAYABLE
FROM UNLIMITED AD VALOREM TAXES)

Bids. Written and electronic (as explained below) bids for the purchase of the above-referenced bonds (the “Bonds”) of the City of Goddard, Kansas (the “Issuer”) herein described will be received on behalf of the undersigned Clerk of the Issuer at the address hereinafter set forth in the case of written bids, and via PARITY® in the case of electronic bids, until 11:00 A.M., Central Daylight Time (the “Submittal Hour”), on

Monday, June 1~~f~~June , 2020

(the “Sale Date”). All bids will be publicly evaluated at said time and place and the award of the Bonds (the “Bonds”) to the successful bidder or bidders (the “Successful Bidders”) will be acted upon by the governing body at its meeting to be held at 7:00 p.m. on the Sale Date. No oral or auction bids will be considered. Capitalized terms not otherwise defined herein shall have the meanings set forth in the hereinafter referenced Preliminary Official Statement relating to the Bonds.

Terms of the Bonds. The General Obligation Bonds, Series 2020-2 (the “Series 2020-2 Bonds”) will consist of fully registered bonds in the denomination of \$5,000 or any integral multiple thereof (the “Authorized Denomination”). The Bonds will be dated June 30, 2020 (the “Dated Date”), and will become due in principal installments on October 1 in the years as follows:

<u>Year</u>	<u>Principal Amount*</u>	<u>Year</u>	<u>Principal Amount*</u>
2023	\$30,000	2033	\$40,000
2024	30,000	2034	45,000
2025	30,000	2035	45,000
2026	35,000	2036	45,000
2027	35,000	2037	50,000
2028	35,000	2038	50,000
2029	35,000	2039	50,000
2030	40,000	2040	50,000
2031	40,000	2041	55,000
2032	40,000	2042	55,000

The Bonds will bear interest from the Dated Date at rates to be determined when the Bonds are sold as hereinafter provided, which interest will be payable semiannually on April 1 and October 1 in each year, beginning on October 1, 2020 (the “Interest Payment Dates”).

*Preliminary; subject to change

***Adjustment of Issue Size.** The Issuer reserves the right to increase or decrease the total principal amount of the Bonds or the schedule of principal payments described above, depending on the purchase price and interest rates bid and the offering prices specified by the Successful Bidder. The Successful Bidder may not withdraw its bid or change the interest rates bid as a result of any changes made to the principal amount of the Bonds or the schedule of principal payments as described herein. If there is an increase or decrease in the final aggregate principal amount of the Bonds or the schedule of principal payments as described above, the Issuer will notify the Successful Bidder by means of telephone or facsimile transmission, subsequently confirmed in writing, no later than 2:00 p.m. applicable Central Time, on the Sale Date. The actual purchase price for the Bonds shall be calculated by applying the percentage of par value bid by the Successful Bidder against the final aggregate principal amount of the Bonds, as adjusted, plus accrued interest from the Dated Date to the Closing Date (as hereinafter defined).

Place of Payment. The principal of and interest on the Bonds will be payable in lawful money of the United States of America by check or draft of the Treasurer of the State of Kansas, Topeka, Kansas (the "Paying Agent" and "Bond Registrar"). The principal of each Bond will be payable at maturity or earlier redemption to the owner thereof whose name is on the registration books (the "Bond Register") of the Bond Registrar (the "Registered Owner") upon presentation and surrender at the principal office of the Paying Agent. Interest on each Bond will be payable to the Registered Owner of such Bond as of the fifteenth day (whether or not a business day) of the calendar month next preceding each Interest Payment Date (the "Record Date") (a) mailed by the Paying Agent to the address of such Registered Owner as shown on the Bond Register or at such other address as is furnished to the Paying Agent in writing by such Registered Owner; or (b) in the case of an interest payment to Cede & Co. or any Owner of \$500,000 or more in aggregate principal amount of Bonds, by wire transfer to such Registered Owner upon written notice given to the Paying Agent by such Registered Owner, not less than 15 days prior to the Record Date for such interest, containing the wire transfer address to which such Registered Owner wishes to have such wire directed.

Bond Registration. The Bonds will be registered pursuant to a plan of registration approved by the Issuer and the Attorney General of the State of Kansas (the "State"). The Issuer will pay for the fees of the Bond Registrar for registration and transfer of the Bonds and will also pay for printing a reasonable supply of registered bond blanks. Any additional costs or fees that might be incurred in the secondary market, other than fees of the Bond Registrar, will be the responsibility of the Owners.

Book-Entry-Only System. The Depository Trust Company, New York, New York ("DTC"), will act as securities depository for the Bonds. The Bonds will initially be issued exclusively in "book entry" form and shall be initially registered in the name of Cede & Co., as the nominee of DTC and no beneficial owner will receive certificates representing their interests in the Bonds. During the term of the Bonds, so long as the book-entry-only system is continued, the Issuer will make payments of principal of, premium, if any, and interest on the Bonds to DTC or its nominee as the Registered Owner of the Bonds, DTC will make book-entry-only transfers among its participants and receive and transmit payment of principal of, premium, if any, and interest on the Bonds to its participants who shall be responsible for transmitting payments to beneficial owners of the Bonds in accordance with agreements between such participants and the beneficial owners. The Issuer will not be responsible for maintaining, supervising or reviewing the records maintained by DTC, its participants or persons acting through such participants. In the event that: (a) DTC determines not to continue to act as securities depository for the Bonds, or (b) the Issuer determines that continuation of the book-entry-only form of evidence and transfer of ownership of the Bonds would adversely affect the interests of the beneficial owners of the Bonds, the Issuer will discontinue the book-entry-only form of registration with DTC. If the Issuer fails to identify another qualified securities depository to replace DTC, the Issuer will cause to be authenticated and delivered to the beneficial owners replacement Bonds in the form of fully registered certificates. Reference is made to the Official Statement for further information regarding the book-entry-only system of registration of the Bonds and DTC.

Redemption of Bonds Prior to Maturity.

General. Whenever the Issuer is to select Bonds for the purpose of redemption, it will, in the case of Bonds in denominations greater than the minimum Authorized Denomination, if less than all of the Bonds then outstanding are to be called for redemption, treat each minimum Authorized Denomination of face value of each such fully registered Bond as though it were a separate Bond in the minimum Authorized Denomination.

Optional Redemption. At the option of the Issuer, Bonds maturing on October 1 in the years 2027, and thereafter, will be subject to redemption and payment prior to maturity on October 1, 2026, and thereafter, as a whole or in part (selection of maturities and the amount of Bonds of each maturity to be redeemed to be determined by the Issuer in such equitable manner as it may determine) at any time, at the redemption price of 100% (expressed as a percentage of the principal amount), plus accrued interest to the date of redemption.

Mandatory Redemption. A bidder may elect to have all or a portion of the Bonds scheduled to mature in consecutive years issued as term bonds (the “Term Bonds”) scheduled to mature in the latest of said consecutive years and subject to mandatory redemption requirements consistent with the schedule of serial maturities set forth above, subject to the following conditions: (a) not less than all Bonds of the same serial maturity shall be converted to Term Bonds with mandatory redemption requirements; and (b) a bidder shall make such an election by completing the applicable paragraph on the Official Bid Form or completing the applicable information on PARITY®.

Notice and Effect of Call for Redemption. Unless waived by any owner of Bonds to be redeemed, if the Issuer shall call any Bonds for redemption and payment prior to the maturity thereof, the Issuer shall give written notice of its intention to call and pay said Bonds to the Bond Registrar, any provider of municipal bond insurance and the Successful Bidder. In addition, the Issuer shall cause the Bond Registrar to give written notice of redemption to the registered owners of said Bonds. Each of said written notices shall be deposited in United States first class mail not less than 30 days prior to the Redemption Date. All notices of redemption shall state the Redemption Date, the redemption price, the Bonds to be redeemed, the place of surrender of Bonds so called for redemption and a statement of the effect of the redemption. The Issuer shall also give such additional notice as may be required by State law or regulation of the Securities and Exchange Commission in effect as of the date of such notice. If any Bond be called for redemption and payment as aforesaid, all interest on such Bond shall cease from and after the Redemption Date, provided funds are available for its payment at the price hereinbefore specified.

Authority, Purpose and Security. The Bonds are being issued pursuant to K.S.A. 14-750 and K.S.A. 14-571, as amended by Charter Ord. No. 12 of the Issuer, and an ordinance and a resolution adopted by the governing body of the Issuer (collectively the “Bond Resolution”) for the purpose of permanently financing the costs of certain street, sewer and water improvements (the “Improvements”), and retiring certain temporary notes of the Issuer. The Bonds shall be general obligations of the Issuer payable as to both principal and interest from ad valorem taxes which may be levied without limitation as to rate or amount upon all the taxable tangible property, real and personal, within the territorial limits of the Issuer. The full faith, credit and resources of the Issuer are irrevocably pledged for the prompt payment of the principal and interest on the Bonds as the same become due.

Submission of Bids. Facsimile and written bids must be made on forms which may be procured from the Clerk or the Financial Advisor and shall be addressed to the undersigned, and marked “Proposal for General Obligation Bonds, Series 2020-2.” Written bids must be submitted in writing in sealed envelopes, by mail or hand delivered. Facsimile bids should not be preceded by a cover sheet and should

be sent only once to **316-264-9370**. Confirmation of receipt of facsimile bids may be made by contacting the Financial Advisor at the number listed below. Electronic bids via PARITY® must be submitted in accordance with its Rules of Participation, as well as the provisions of this Notice of Bond Sale. If provisions of this Notice of Bond Sale conflict with those of PARITY®, this Notice of Bond Sale shall control. Bids must be received prior to the Submittal Hour on the Sale Date accompanied by the Deposit (as hereinafter defined), which may be submitted separately. The Issuer and Financial Advisor shall not be responsible for failure of transmission of facsimile or delivery by mail or in person of any bid.

PARITY®. Information about the electronic bidding services of PARITY® may be obtained from i-Deal LLC at 1359 Broadway, 2nd Floor, New York, New York 10018, Phone No. (212) 849-5023.

Conditions of Bids--Bonds. Proposals will be received on the Bonds bearing such rate or rates of interest as may be specified by the bidders, subject to the following conditions: (a) the same rate shall apply to all Bonds of the same maturity year; (b) no interest rate may exceed a rate equal to the daily yield for the 10-year Treasury Bond published by **THE BOND BUYER**, in New York, New York, on the Monday next preceding the day on which the Bonds are sold, plus 3%; and (c) no supplemental interest payments will be considered; and (d) each interest rate specified shall be a multiple of 1/8 or 1/20 of 1%. No bid for less than **100%** of the principal amount of the Bonds and accrued interest thereon to the date of delivery will be considered. Each bid shall specify the total interest cost (expressed in dollars) during the term of the Bonds on the basis of such bid, the discount, if any, the premium, if any, offered by the bidder, the net interest cost (expressed in dollars) on the basis of such bid, and an estimate of the TIC (as hereinafter defined) on the basis of such bid. Each bidder shall certify to the Issuer the correctness of the information contained on the Official Bid Form; the Issuer will be entitled to rely on such certification. Each bidder agrees that, if it is awarded the Bonds, it will provide the certification described under the caption “Establishment of Issue Price” in this Notice.

Good Faith Deposit. A good faith deposit (the “Deposit”) in the amount of \$16,700 payable to the order of the Issuer is required in order to secure the Issuer from any loss resulting from the failure of the bidder to comply with the terms of its bid. The Deposit may be submitted at the address hereinafter set forth in either of the following forms:

- (a) *Certified or Cashier’s Check.* Certified or cashier’s check drawn on a bank located in the United States of America received by the Issuer or the Financial Advisor **prior to the Submittal Hour**; or
- (b) *Wire Transfer.* Wire transfer submitted by the Successful Bidder in Federal Reserve funds, immediately available for use by the Issuer **not later than 2:00 p.m. applicable Central Time on the Sale Date** (wire transfer information may be obtained from the Issuer or the Financial Advisor at the addresses set forth below).

Contemporaneously with the submission of a wire transfer Deposit, such bidder shall send an email to the Financial Advisor at the email address set forth below, including the following information: (a) notification that a wire transfer has been made; (b) the amount of the wire transfer; and (c) return wire transfer instructions in the event such bid is unsuccessful. Checks submitted for Deposits by unsuccessful bidders will be returned; wire transfer Deposits submitted by unsuccessful bidders will not be accepted or shall be returned in the same manner received on the Sale Date. The Issuer reserves the right to withhold reasonable charges for any fees or expenses incurred in returning a wire transfer Deposit. No interest on the Deposit will be paid by the Issuer. If a bid is accepted, the Deposit, or the proceeds thereof, will be held by the Issuer until the Successful Bidder has complied with all of the terms and conditions of this Notice at which time the amount of said Deposit shall be returned to the Successful Bidder or deducted from the purchase price at the option of the Issuer. If a bid is accepted but the Issuer fails to deliver the Bonds to the Successful Bidder in accordance with the terms and conditions of this Notice, said Deposit, or the proceeds

thereof, will be returned to the Successful Bidder. If a bid is accepted but the bidder defaults in the performance of any of the terms and conditions of this Notice, the proceeds of such Deposit will be retained by the Issuer as and for liquidated damages.

Basis of Award. Subject to the timely receipt of the Deposit set forth above, the award of the Bonds will be made on the basis of the lowest true interest cost (“TIC”), which will be determined as follows: the TIC is the discount rate (expressed as a per annum percentage rate) which, when used in computing the present value of all payments of principal and interest to be paid on the Bonds, from the payment dates to the Dated Date, produces an amount equal to the price bid, including any adjustments for premium or discount, if any. Present value will be computed on the basis of semiannual compounding and a 360-day year of twelve 30-day months. Bidders are requested to provide a calculation of the TIC for the Bonds on the Official Bid Form, computed as specified herein on the basis of their respective bids, which shall be considered as informative only and not binding on either the Issuer or the bidder. The Issuer or its Financial Advisor will verify the TIC based on such bids. If there is any discrepancy between the TIC specified and the bid price and interest rates specified, the specified bid price and interest rates shall govern and the TIC specified in the bid shall be adjusted accordingly. If two or more proper bids providing for identical amounts for the lowest TIC are received, the Governing Body will determine which bid, if any, will be accepted, and its determination is final.

The Issuer reserves the right to reject any and/or all bids and to waive any irregularities in a submitted bid. Any bid received after the Submittal Hour on the Sale Date will be returned to the bidder. Any disputes arising hereunder shall be governed by the laws of the State, and any party submitting a bid agrees to be subject to jurisdiction and venue of the federal and state courts within the State with regard to such dispute.

[Bond Ratings. The Bonds and the outstanding general obligation bonds of the Issuer are rated “AA-” by S&P Global Ratings, a division of S&P Global Inc.]

Optional Bond Insurance. The Issuer has **not** applied for any policy of municipal bond insurance with respect to the Bonds. If the Bonds qualify for municipal bond insurance, and any bidder desires to purchase such policy, such indication and the name of the desired insurer must be set forth on the bidder’s Official Bid Form. The Issuer specifically reserves the right to reject any bid specifying municipal bond insurance, even though such bid may result in the lowest TIC to the Issuer.

If the Successful Bidder elects to purchase the Bonds with municipal bond insurance, certain rating agencies will assign their ratings to the Bonds with the understanding that upon delivery of the Bonds, a policy insuring the payment when due of the principal of and interest on the Bonds will be issued by such bond insurer. All costs associated with the purchase and issuance of such municipal bond insurance policy and associated ratings and expenses (other than any independent rating requested by the Issuer) shall be paid by the Successful Bidder. Failure of the municipal bond insurer to issue the policy after the award of the Bonds shall not constitute cause for failure or refusal by the Successful Bidder to accept delivery of the Bonds.

CUSIP Numbers. CUSIP identification numbers will be assigned and printed on the Bonds, but neither the failure to print such number on any Bond nor any error with respect thereto shall constitute cause for failure or refusal by the purchaser thereof to accept delivery of and pay for the Bonds in accordance with the terms of this Notice. All expenses in relation to the assignment and printing of CUSIP numbers on the Bonds will be paid by the Issuer.

Delivery and Payment. The Issuer will pay for preparation of the Bonds and will deliver the Bonds properly prepared, executed and registered without cost on or about **JUNE 30, 2020** (the “Closing

Date”), to DTC for the account of the Successful Bidder or at such bank or trust company in the contiguous United States of America as may be specified by the Successful Bidder, or elsewhere at the expense of the Successful Bidder. The Successful Bidder will be furnished with a certified transcript of the proceedings evidencing the authorization and issuance of the Bonds and the usual closing documents, including a certificate that there is no litigation pending or threatened at the time of delivery of the Bonds affecting their validity and a certificate regarding the completeness and accuracy of the Official Statement. Payment for the Bonds shall be made in federal reserve funds, immediately available for use by the Issuer. The Issuer will deliver one Bond of each maturity registered in the nominee name of DTC.

Establishment of Issue Price.

(a) In order to provide the Issuer with information necessary for compliance with Section 148 of the Internal Revenue Code of 1986, as amended, and the Treasury Regulations promulgated thereunder (collectively, the “Code”), the Successful Bidder will be required to assist the Issuer in establishing the “issue price” of the Bonds and complete, execute and deliver to the Issuer prior to the Closing Date, a written certification in a form acceptable to the Successful Bidder, the Issuer and Bond Counsel (the “Issue Price Certificate”) containing the following for each maturity of the Bonds: (1) the interest rate; (2) the reasonably expected initial offering price to the “public” (as said term is used in Treasury Regulation Section 1.148-1(f) (the “Regulation”)) or the sale price; and (3) pricing wires or equivalent communications supporting such offering or sale price. However, such Issue Price Certificate may indicate that the Successful Bidder has purchased the Bonds for its own account in a capacity other than as an underwriter or wholesaler, and currently has no intent to reoffer the Bonds for sale to the public. Any action to be taken or documentation to be received by the Issuer pursuant hereto may be taken or received by the Financial Advisor or Bond Counsel on behalf of the Issuer.

(b) The Issuer intends that the sale of the Bonds pursuant to this Notice shall constitute a “competitive sale” as defined in the Regulation. In support thereof: (1) the Issuer shall cause this Notice to be disseminated to potential bidders in a manner reasonably designed to reach potential bidders; (2) all bidders shall have an equal opportunity to submit a bid; (3) the Issuer reasonably expects that it will receive bids from at least three bidders that have established industry reputations for underwriting municipal bonds such as the Bonds; and (4) the Issuer anticipates awarding the sale of the Bonds to the bidder that provides a bid with the lowest TIC in accordance with the section hereof entitled “Basis of Award.”

(c) Any bid submitted pursuant to this Notice shall be considered a firm offer for the purchase of the Bonds as specified therein. The Successful Bidder shall constitute an “underwriter” as said term is defined in the Regulation. By submitting its bid, the Successful Bidder confirms that it shall require any agreement among underwriters, a selling group agreement or other agreement to which it is a party relating to the initial sale of the Bonds, to include provisions requiring compliance with provisions of the Code and the Regulation regarding the initial sale of the Bonds.

(d) If all of the requirements of a “competitive sale” are not satisfied, the Issuer shall advise the Successful Bidder of such fact at the time of award of the sale of the Bonds to the Successful Bidder and the following provisions shall apply to the Bonds. ***In such event, any bid submitted will not be subject to cancellation or withdrawal.*** Within twenty-four (24) hours of the notice of award of the sale of the Bonds, the Successful Bidder shall advise the Issuer if a “substantial amount” (as defined in the Regulation (10%)) of any maturity of the Bonds has been sold to the public and the price at which such substantial amount was sold. The Issuer will treat such sale price as the “issue price” for such maturity, applied on a maturity-by-maturity basis. The Issuer will ***not*** require the Successful Bidder to comply with that portion of the Regulation commonly described as the “hold-the-offering-price” requirement for the remaining maturities, but the Successful Bidder may elect such option. If the Successful Bidder exercises such option, the Issuer will apply the initial offering price to the public provided in the bid as the issue price for such

maturities. If the Successful Bidder does not exercise that option, it shall thereafter promptly provide the Issuer the prices at which a substantial amount of such maturities are sold to the public; provided such determination shall be made and the Issuer notified of such prices not later than three (3) business days prior to the Closing Date. *Any change in the issue price of any of the Bonds after the Submittal Hour will not affect the purchase price for the Bonds submitted in the bid of the Successful Bidder.*

(e) This agreement by the Successful Bidder to provide such information will continue to apply after the Closing Time if: (a) the Issuer requests the information in connection with an audit or inquiry by the Internal Revenue Service (the “IRS”) or the Securities and Exchange Commission (the “SEC”) or (b) the information is required to be retained by the Issuer pursuant to future regulation or similar guidance from the IRS, the SEC or other federal or state regulatory authority.

Preliminary Official Statement and Official Statement. The Issuer has prepared a Preliminary Official Statement dated _____, copies of which may be obtained from the Clerk or from the Financial Advisor. Upon the sale of the Bonds, the Issuer will adopt the final Official Statement and will furnish the Successful Bidder, without cost, with a sufficient number of copies thereof, which may be in electronic format, in order for the Successful Bidder to comply with the requirements of Rule G-32. Additional copies may be ordered by the Successful Bidder at its expense.

Continuing Disclosure. The Securities and Exchange Commission (the “SEC”) has promulgated amendments to its Rule 15c2-12 (the “Rule”) requiring continuous secondary market disclosure for certain issues. The Issuer is relying on a provision of the Rule that exempts issues of less than \$1,000,000 aggregate principal amount from the requirements of the Rule and therefore has **not** covenanted to provide continuous secondary market disclosure. However, the Issuer obtains an audit of its annual financial statements by independent auditors, and presently intends to supply its most recent audited financial statements to any Registered Owner upon written request and reimbursement to the Issuer of the costs of the photocopying and mailing. The absence of continuing disclosure of financial or other information pertaining to the Issuer may impair the development of a secondary market for the Bonds and could impair the ability of a Registered Owner to sell the Bonds in the secondary market.

Assessed Valuation and Indebtedness. The total assessed valuation of the taxable tangible property within the Issuer for the year 2020 is as follows:

Equalized Assessed Valuation of
 Taxable Tangible Property
 Tangible Valuation of Motor Vehicles.....
 Equalized Assessed Tangible Valuation
 for Computation of Bonded Debt Limitations

The total general obligation indebtedness of the Issuer as of the Dated Date, including the Bonds being sold, is \$_____. Temporary notes in the principal amount of \$760,000 will be retired out of proceeds of the Bond, which will reduce the outstanding general obligation indebtedness of the Issuer to \$_____.

Legal Opinion. The Bonds will be sold subject to the approving legal opinion of GILMORE & BELL, P.C., WICHITA, KANSAS, Bond Counsel to the Issuer, which opinion will be furnished and paid for by the Issuer, will be printed on the Bonds, if the Bonds are printed, and will be delivered to the Successful Bidder when the Bonds are delivered. Said opinion will also include the opinion of Bond Counsel relating to the interest on the Bonds being excludable from gross income for federal income tax

purposes and exempt from income taxation by the State. Reference is made to the Preliminary Official Statement for further discussion of federal and State income tax matters relating to the interest on the Bonds.

Additional Information. Additional information regarding the Bonds may be obtained from the undersigned or from the Financial Advisor at the addresses set forth below:

Resolution #16-07.

**EXCERPT OF MINUTES-REGULAR MEETING
CITY OF GODDARD
118 NORTH MAIN, GODDARD, KS
MONDAY, JUNE 4, 2018**

The Goddard City Council met in a Regular Session at Goddard City Hall on Monday, June 4, 2018. Mayor Jamey Blubaugh called the meeting to order at 7:00 p.m., followed by the Pledge of Allegiance. Mayor Blubaugh provided the invocation. Council members present were Larry Zimmerman, Joe Torske, Brent Traylor and Brook Brandenburg. Councilmember Ramirez was absent. Also present were: Brian Silcott, City Administrator; Cathy Schroeder, Utility/Court Clerk; Tim Johnson, Community Development Director; Fred Farris, Police Chief; and Harlan Foraker, City Engineer.

CONSIDER A RESOLUTION AUTHORIZING TEMP NOTE PLACEMENT

Brian Silcott stated at the May 16, 2016 meeting the City Council unanimously approved Resolution 16-07. This resolution authorized the project for infrastructure improvements. The Series 2016-2 notes authorized \$770,000 with \$631,650 for street/roadway improvements, \$84,150 for sewer improvements, and \$54,200 for water improvements. Administration of the STAR Bond project has always intended for the temporary notes to be converted to long term

bonds with a 15-20 year duration. The temporary notes were sold to Central States Capital Markets with an average interest rate of 1.21% and known as Issuance Series 2016-2 at the June 20, 2016 Regular City Council Meeting.

On May 21, 2018, the City Council unanimously approved the authorizing the sale/offering of the notes as a private placement of the 2016-2 temporary note series as 2018-2 temporary note series. He stated the resolution authorizes the placement of \$825,000 (estimated \$770,000 principal & \$55,000 capitalized interest) in temporary notes. The notes will mature on July 1, 2020 with note delivery planned for June 28, 2018. Beginning January 1, 2019, interest payments will be made by January 1 and July 1 of each year. The best bidder is Emprise Bank with an interest rate of 2.22% with the physical delivery of bond notes.

The resolution also authorizes staff and the City's representatives (Gilmore & Bell as Bond Counsel and George K Baum as Financial Representative) to complete the terms of note resolution (evidence of the formal Governing Body action), the note purchase agreement (provides terms and details of the notes for related actions), transcript index (transcription of actions & activities), transcript certificate (certifies the accuracy and effectiveness of the note resolution), the agreement between the issuer and the agent (authorizes the State Treasurer to serve as paying agent and bond registrar, legal opinion, and the closing certificate (verifies completion of the above tasks for the closing to occur).

When the 2018-2 series temporary notes mature on July 1, 2020, they will be converted into General Obligation bonds with payment being from the City's General tax levy within Fund 92, the STAR Bond Fund. Temporary Note interest payments will be made semiannually on January 1st & July 1st in 2017 and 2018. Financial: Temporary Note Interest Payments will be made from the City's Bond & Interest Fund. He added the Resolution was authored by City Bond Counsel Kevin Cowan and Reviewed by City Attorney Ryan Peck. He recommended the City Council Approve the Resolution as presented by a voice vote to waive the reading of the Resolution.

MOTION: Councilmember *Torske* moved to waive the reading of the Resolution. Councilmember *Traylor* seconded the motion. The motion. carried unanimously

MOTION: Councilmember *Zimmerman* moved to adopt the Resolution as presented. Councilmember *Torske* seconded the motion.

City Council Meeting

TO: Mayor and City Council
SUBJECT: Public Works Lawn Mowers
PREPARED BY: Public Works Director
AGENDA: New Business

Background: The City Public Works department has two riding lawn mowers that are approximately ten-years old. They are well worn and have mechanical failures on a regular basis. One of the mowers is currently out of service due to mechanical breakage and the repair estimate is higher than the book value of the mower. PW uses the mowers to mow various areas of town and the old mowers spend a significant amount of time in the shop being repaired impairing our ability to address mowing needs.

Analysis: Public Works staff received bids from 5 different manufacturers. Results are listed below:

Brand	Model	Price
Ferris	5901576 IS 3200	11,450.00
Grasshopper	337G5EFI 72" deck	9,956.25
ExMark	72" LAZER Z E-SERIES KAW	9,774.00
Hustler	72" SUPER Z VANGUARD	10,915.70
Spartan	72" SRT XD VG	10,099.00

After reviewing and test mowing with each mower we chose the ExMark Lazer Z E-Series sold by Kansas Golf and Turf. This model mower was chosen based on its capabilities, warranty, serviceability, and cost. ExMark mowers have zero turn radius and are equipped with a 24.5hp gasoline engine, 72" deck, and come with a 3-year/800-hour warranty.

Financial: The cost of each mower is \$9,774.00 for a total cost for two (2) units of \$19,548.00 and will be allocated 100% to Equipment Reserve (81-430-7380). Currently the Equipment Reserve Fund has a total cash balance of \$724,262.35 and an unencumbered cash balance of \$615,389.15, which includes an encumbrance for 2 Public Works fleet purchases that have been delayed due to the COVID 19 crisis. The Equipment Reserve Fund will receive an additional \$48,750 in Transfers during the 2020 Fiscal Year.

Legal Considerations: Approved as to form

Recommendations/Actions: It is recommended the City Council approve the purchase of two ExMark Lazer Z E-Series lawn mowers from Kansas Golf and Turf for a total cost of \$19,548.00.

Training

Most outside training that had been scheduled has been either cancelled or postponed due to COVID-19. PD staff conducted a great deal of training with the new officers following their graduation from the academy. Additional training that officers attended includes:

How Human Behavior Impacts Leadership and Teamwork (Roney)

Servant Leadership (Farris)

Tactical Vehicle Intervention (Roney/Beagley)

Projects

The Goddard Police Department will be partnering with the Wichita Police Department to install fixed license plate readers (LPR) eastbound and westbound Kellogg at 167th St. These LPR units are being paid for by the Wichita Police Department through a grant and all Goddard units will have the ability to receive that real time information. LPR's use cameras to capture a photo of a license plate and check it through a national database in seconds. They have proven to be an effective law enforcement tool in recovering stolen or wanted vehicles, locating missing individuals and investigating crime. We are excited about this partnership with WPD and appreciate the opportunity and funding.

Investigations

Goddard PD currently staffs one full-time detective to handle all criminal investigations for the agency.

61 cases have been actively investigated by Det McCann this quarter

169 Inactive cases that are waiting on additional evidence or follow-up information to continue the investigation

10 cases are pending further investigation and are in the preliminary stages of the case

12 cases are actively open and under investigation

23 cases have been presented to the DA by Det McCann for charging and **22** were charged.

Cases of Interest

On January 1, an officer was dispatched to a local hospital to receive information on a sexual assault. The victim had injuries consistent with some sort of attack and after a subsequent interview by Det McCann, began to recall more details of the incident. The case pending results of physical evidence collected.

On January 17 officers responded to an overdose and found that a 21 year-old female had been discovered unresponsive by her boyfriend and is believed to have overdosed. Life saving measures, including Narcan administered by Ofc Lamar, proved unsuccessful and she was pronounced dead at the scene. The investigation remains open pending the autopsy report.

In February a patrol officer made an arrest following complaints of an individual openly carrying a firearm in a local retail store. The suspect had an active protection order from another county that prohibited him from carrying a firearm. He was charged with criminal use of a firearm.

On March 1 officers received information about the sexual assault of a teenage female by her supervisor at work. The suspect has been charged with aggravated sexual battery, sexual exploitation of a child under 18, and robbery. These charges are pending review by the District Attorney.

Special Events

Due to COVID-19 restrictions we have not been able to conduct any community engagement or outreach programs. Normally at this time of year, we would be regularly engaging with the schools and would be conducting various initiatives such as Coffee with Cops.

Our officers miss these opportunities to meet our citizens and engage with the children. We look forward to restarting these programs when life in our community returns to normalcy.

Background

The Library Board meets every second Monday of the month at 7:05pm in the Library. The Board is made up of 10 members, eight that live within the city limits of Goddard and 2 that live within the Goddard School District. The Board had five newly appointed members in 2019 & one in 2020.

Quarter in Review

The Library staff was busy in the first quarter. Unfortunately, most of our progress has come to a grinding halt to be picked up again in the Fall of 2020 or in 2021. This new normal has provided us with an opportunity to learn new ways of performing our services and programming. To keep our patrons and their families engaged during this trying time, we have provided Facebook Live StoryTimes plus a 30 day Lego Challenge, Maker Mondays and other activities on Facebook. We also created an Educational Resource page on our website with links to free reading options, other learning, and are heavily promoting our Sunflower eLibrary ebooks/eaudiobooks.

Our Annual Survey provided us with several ideas for programs and services that we will be working to provide. It also highlighted our biggest obstacle – Space. We had several respondents express needs for private study or meeting space, the need for a bigger programming space, and a need for quiet spaces. We cannot provide any of these in the building we have. The architect we contacted looked into remodeling to utilize the basement, which was cost prohibitive. Our other option, which is more cost effective, would be to close in the drive through. This only adds space for an additional 80 people, bringing our total capacity for the building to 190. This would help but by no means solves all of our space issues.

Looking Ahead to the 2nd Quarter

The Library will work hard to overcome the effects of the Pandemic and get programming and services back to normal as soon as it is safe to do so. We will be working on several grants to help us increase our technology resources and solve some of our space issues.

Because of the uncertainty of the timing for returning programming to normal, we are working on a virtual summer reading program where we would utilize Beanstack. We had recently purchased this program to use for Summer Reading tracking but it can be used in other ways as well.
