Water-Wise Tips

Grow native plants that are drought resistant.

Check for leaks that may be in hoses, connectors, and faucets.

Mayor's Message

Hello friends and neighbors:

Spring is finally here and hopefully with it sunshine and warmer weather. With changes from the state legislature this may be our last time to cast a vote in the spring for municipal and school board elections, so I hope you will make a point to go vote on Tuesday April 7. With spring also comes the return of the garage sale season, and so I am sending a reminder that the city wide garage sale day is Saturday, May 2. If you have any questions or concerns, please get in touch with me, or any council member.

Best wishes!!!

Municipal Elections

On April 7th we encourage all of our residents to go out and vote in the City and School District election. Mayor Marcey Gregory is the only candidate on the ballot for the mayoral race, and there are three candidates (Larry D. Zimmerman, Enrique Ramirez, and Joe Torske) on the ballot to fill three open council seats.

The election for USD 265 Board of Election has six candidates (Sara McDonald, Jamey Blubaugh, Brian Curtis, Bob Merritt, Nicole Hawkins, and Eric Poe). Polls will be open at the Church of the Holy Spirit from 6am until 7pm. Results will be available at <http://www.sedgwickcounty.org/elections/>

Goddard City-wide Garage Sales

First Weekend in May (5-2-15)

It is that time of year again... spring cleaning, and this year while you sort through your old jeans that haven't fit you since your senior year and while you rummage through the collection of porcelain dolls from your Aunt Margret, you should try to find a few items to sell for a little "cash-money".

Residents who are hosting a garage sale are encouraged to comment on the City of Goddard's Facebook event or send an email to kludwig@goddardks.gov so that a list of locations can be compiled.

City of Goddard Compost and Tree-limb Sites

Free compost and tree limb disposal for Goddard residents.

Instead of putting your grass clippings into the trash you should bring them by the City's compost site. Here is a list of what we accept at the compost pile:

- Grass
- Leaves
- Straw/Hay
- Twigs
- Pine Needles
- Plants
- Flowers
- Top Soil

The compost site is located at the City's Public Works Facility (1206 South 199th). The compost site is open 8am-3pm on weekdays, and 9am-12pm on the 2nd Saturday of every month.
