Water-Wise Tips

- Check toilets for leaks- A leak in the toilet that can neither be seen nor heard may be wasting more than 100 gallons of water a day!
- It's easy and inexpensive to insulate your water pipes with pre-slit foam pipe insulation. You'll get hot water faster plus avoid wasting water while it heats up.

Fall City-Wide Clean -Up

The City of Goddard is pleased to offer residents an opportunity to participate in the 2015 Fall City-Wide Clean up event on **Saturday, November 7, 2015**, from **8 a.m. to noon**.

Dumpsters will be available for residents at the Public Works Facility, located at 1206 S. 199th St. W. from 8:00 a.m. to noon.

More details will be provided closer to the date!
