Mayor's Message

Hello Friends and Neighbors:

Thanks to the hard work of our City Council members and dedicated staff, I am pleased to announce that the Goddard Destination Development Project is underway! This exciting project will bring world class amenities to our beautiful city, including a brand new hotel, family entertainment center, an aquatic and wellness center, and baseball diamonds.

On January 14th, the City Council was joined by residents, staff, and members of the media for a groundbreaking ceremony at the project site, immediately followed by a wonderful public reception held at Dove Estates.

I would like to personally thank all of those that made this project possible. These are exciting times to be in Goddard!

As always, if you have any questions or concerns, please don't hesitate to get in touch with me or any of the City Council members.

*Warmest wishes,
Marcey*

Haven't Renewed Your Dog License?

Dog license renewals are currently available for purchase at City Hall. Dog licenses are an annual requirement for all dogs residing within the City of Goddard. Licenses are a great way to quickly identify your dog in the event that they go missing, and licensing lets people know that your dog is up to date on its rabies vaccinations and that its healthy.

The cost per dog license is \$5. If your dog has not been spayed or neutered, the cost per dog license is \$10. Applications are available at City Hall!
