Address Visibility and Emergency Response

When an emergency occurs and you're waiting for help to arrive, every second counts. Before an emergency occurs, it is imperative that homeowners or property owners in town prominently display their address numbers on their home or business.

Having addresses visibly displayed on your home or business will allow police, fire, and EMS services to more quickly identify the location of the emergency and get you the help that you need in an emergency situation.

The City of Goddard suggests that address numbers are securely affixed to the building and visible from the street. If obstructions such as trees or man-made obstacles obscure the view of your address, residents may consider affixing address numbers to their mailbox or in a more visible location.

Please Be a Considerate Neighbor

Bring Your Dog Indoors When Barking During Long Periods

The City of Goddard requests that residents consider your neighbors when leaving dogs outside unsupervised for extended periods of time. Your dog's prolonged barking may be considered a nuisance by your neighbors and the city requests that pet owners continue to be mindful of their dog's outdoor activities.

As the weather continues to warm up, the City of Goddard encourages you and your pups to take advantage of our parks and amenities!

Community Garden

Community garden plots are still available for the upcoming season.

The Goddard Community Garden is seeking green thumbs that want to grow their own produce, but don't have the space or supplies. The Goddard Senior Group in partnership with the City of Goddard offers plots, water, and tools for residents interested in gardening.

There is a \$20.00 deposit for each plot, which is refunded at the end of the season. Join us as we build friendships, and serve the community through our community garden.

For more information please contact City Hall at 316-794-2441.

Keeping Your Home Safe During a Vacation

With spring break coming up here are five tips to keep your home safe while you're away.

- 1) Make your home appear occupied.
i.e. Add timers to lights and television sets.
- 2) Open some of the drapes or blinds on your windows. This helps keep lights inside your home more visible.
- 3) Disconnect your automatic garage door openers. Sometimes they malfunction and the door will open by itself.
- 4) Have your mail and newspaper held, or picked up by a friend or neighbor.
- 5) Call the Goddard Police Department (316-794-2051) and request a vacation home watch form for extra security while you are away.

The Goddard Police Department is committed to keep you safe, even when you are away. If you are going away for spring break make sure to take these precautions, so you do not have to worry while you are away.
