## Disc Golf Course in Linear Park!

### Come Check Out Goddard's Latest Park Amenity

The Linear Park Disc Golf Course (DGC) is near completion with the recent installation of its state-of-the-art targets (baskets) and tee-pads. The first family who played the course (picture left) said it was “the best Christmas Present ever” when asked about their experience. The Linear Park DGC contains 18 holes on the West and East sides of Linear Park. Disc golf is played and scored just like regular golf and a disc (frisbee) can be purchased for as little as \$8. The course can be enjoyed by players of all skill levels and contains elevation change, tunnel shots and numerous tree-obstacles. We are excited to bring this additional park amenity to our neighbors which further promotes our vision of creating a family oriented and active lifestyle in Goddard!

## Winter Weather Preparation and Response

### City's Response to Winter Weather

Our Public Works Department is ready to respond 24/7 to treat and plow ice, slush and snow. During a winter storm event these tasks take precedent over all non-emergency City operations. City staff consults with meteorologists and monitor weather forecasts to establish a work plan to minimize a storm's impact on our community. In anticipation of winter weather, the City utilizes salt brine to 'pre-treat' our roadways to reduce the impact of snow and ice on the road surface. The goal of pre-treatment is to create a safer environment when travelling on our streets. Remember, if you don't have to, don't drive.

## Reminders

# CELEBRATE Goddard's Bicycle and Pedestrian Plan

Join Your Neighbors for A Celebratory  
Open House Tuesday, February 5 from  
6:00-8:00 p.m. at Goddard's Pathway  
Church

The City of Goddard has been working with our residents and a consulting team to help make Goddard more comfortable for bicyclists and pedestrians. To achieve this purpose, the City, our residents and the consulting team have been refining a planning and policy document which could serve to assist in future investment decisions related to road connectivity and sidewalk/trail development for bicyclists and pedestrians. The plan is near completion and it is now time to celebrate the hard work of our neighbors and team by throwing a Celebratory Open House Party! Join the community on Tuesday, February 5 from 6:00-8:00 p.m. for an Open House Celebration where our neighbors will be able to engage with the work team and provide input! The location for this event is Goddard's Pathway Church. Dinner and refreshments will be served! RSVP on Facebook or by emailing [ccrossette@goddardks.gov](mailto:ccrossette@goddardks.gov).
