## Christmas Tree Recycling

As the New Year begins and the holiday season comes to a close, you may be asking, "What should I do with my old Christmas tree?"

Sedgwick County's annual tree recycling program allows residents of Sedgwick County to safely dispose of their Christmas trees at a convenient location.

The City of Goddard Christmas tree disposal site will be located at Means Park.

For a full listing of Sedgwick County Christmas tree recycling locations, please visit the Sedgwick County website at [www.sedgwickcounty.org](http://www.sedgwickcounty.org). Tree recycling locations will be open through Monday, January 22<sup>nd</sup>.

## Water Payments

Paying your water bill on time can save you a lot of money.

Remembering to pay your bills can be difficult, especially when life gets busy during the holiday season. If you don't pay your bill before the 20<sup>th</sup> of each month, a late fee of 10% is added to the bill.

To save yourself the trouble of writing a check each month, you can sign up for automatic payments from your checking account (ACH). Signing up for ACH doesn't take long, and forms for automated payments can be found on the city's website or by visiting City Hall. ACH is a free service, and can save you from any late fees.
