Pavilion & Splash Pad Project Update

Construction of the new pavilion and splash pad projects at Linear Park is coming along nicely! Dondlinger Construction will continue their work on the concrete paving and sidewalks as they prepare for the roof installation on the pavilion in the coming weeks.

We anticipate substantial completion of both the splash pad and pavilion projects by mid-February. It's going to be an exciting summer!

Stormwater Management

Water from rain or snow storms, known as stormwater, flows from streets, driveways, backyards, and parking lots into our storm drains. Stormwater runoff is often worsened by human activities, and can contain pollutants such as oil, antifreeze, detergents, pesticides, fertilizer, and pet waste.

The City of Goddard Public Works Department works to ensure that our parks are clean and grates are clear prior to, during, and after storm events.

To report suspected stormwater pollution problems, please contact the Public Works Department at 316-794-2441. For more information regarding stormwater management, please visit the City of Goddard website at <http://goddardks.gov/246/Stormwater>.

Goddard Gratitude

Do you know someone that works hard for our community day-in and day-out that deserves some credit? Tell us about it!

The Goddard City Council regularly recognizes exceptional residents and individuals committed to making our community a better place to live, work, and play! Individuals are regularly recognized for their service at City Council meetings on the first and third Monday of every month. To nominate an individual for their outstanding service and commitment to our community, please contact City Hall at 316-794-2441.

Dog License Renewals

Renewal applications are available at
City Hall!

Dog license renewals are currently available for purchase at City Hall. Dog licenses are an annual requirement for all dogs residing within the City of Goddard. Licenses are a great way to quickly identify your dog in the event that they go missing, and licensing lets people know that your dog is up to date on its rabies vaccinations and that its healthy.

The cost per dog license is \$5. If your dog has not been spayed or neutered, the cost per dog license is \$10. Applications are available at City Hall!

Stay Informed Through Social Media

Follow the City of Goddard on Facebook and Twitter

Social media outlets are a great way to keep up to date and informed on what is happening in our community. The City's Facebook and Twitter accounts help spread the word on upcoming events, citywide projects, and council meetings. To visit our pages, please visit:
