Back to School Safety

It's that time of year again! The first day of classes for USD 265 Goddard Public Schools begins Wednesday, August 15th. Here are a few safety tips to keep our students and drivers safe:

- Be aware of and watch out for children near schools, bus stops, sidewalks, in the streets, and in school parking lots
- Be on the lookout for school zone signals and ALWAYS obey the speed limits
- When entering a school zone, be sure to slow down and obey all traffic laws
- Always stop for school buses that are loading or unloading children
- Be on the lookout for school crossing guards and obey their signals

Wildlife Nuisance?

Contact the KDWP with Questions and Concerns

During the spring and summer months, it is common for residents to encounter young wild animals on their property. Skunks, raccoons, possums, foxes, and several other kinds of wildlife can often be a nuisance to your family or your pets.

Attempting to rid or remove a wild animal from your property may cause a variety of problems and health hazards for both you and the animal.

If you have any questions regarding the handling or removal of harmful wildlife, please contact the Kansas Department of Wildlife and Parks (KDWP) Wichita office at 316-683-8069.

Goddard Gratitude

Do you know someone that works hard for our community day-in and day-out that deserves some credit? Tell us about it!

The Goddard City Council regularly recognizes exceptional residents and individuals committed to making our community a better place to live, work, and play! Individuals are regularly recognized for their service at City Council meetings on the first and third Monday of every month. To nominate an individual for their outstanding service and commitment to our community, please contact City Hall at 316-794-2441.
