## Community Thanksgiving Feast 2018

[Join us for a FEAST on November 8th](#)

Thanksgiving is a time for families, friends, and neighbors to come together and be grateful. This year the City of Goddard and our sponsoring civic organizations would like to express gratitude for your continued support of our community. The Goddard community would like to invite you to a Community Thanksgiving Feast on Thursday, November 8th from 11:15 am until 1pm at the United Methodist Church.

Come enjoy turkey, green beans, rolls, mashed potatoes, pie, and more! This event is free; all you need to bring is an appetite for delicious food. All donations will be going toward a charitable cause. We look forward to seeing you!

## Goddard Bicycle and Pedestrian Plan

[Help Connect Goddard!](#)

The City of Goddard has been working with our residents and a consulting team to help make Goddard more comfortable for bicyclists and pedestrians. To achieve this purpose, the City, our residents, and the consulting team have been refining a planning and policy document which could serve to assist in future investment decisions related to road connectivity and sidewalk/trail development for bicyclists and pedestrians. Join the work team on November 28<sup>th</sup> from 6:30pm to 8:30pm for an Open House event where residents will be able to engage with the work team and provide input! The location for this event is to be determined. Keep an eye out on Facebook!

- Lock your doors at home. Your front door, back door, and garage door, both into the house and into the yard.
- Because it is getting dark earlier, leave your lights on. Any outside lights on your front porch, back porch, garage doors, back yard, etc.
- Close your garage door, and keep it closed, even when you are at home!
- Lock your vehicle, whether in the street, driveway, garage, or parking lot.
- Please don't leave your keys in your car or your vehicle running, even if you only plan to step inside for just a moment!
- Remove all valuables from your vehicle. If you are out shopping, stow your packages, bags and valuables in the trunk where they aren't visible.
