Home Address Visibility

Address Must Be Visible to First Responders

The City Council approved a Visible Address Numbering Ordinance at the August 21st City Council Meeting that requires residents to visibly post their home address so that first responders are able to promptly respond in the event of an emergency.

The ordinance requires that street numbers be placed on your home and that the numbering be at least 3" in height. Painting house numbers on curbs is not sufficient to meet the requirement as the paint is susceptible to fading and may be covered in the event of snow or inclement weather.

While most homes currently comply with the new ordinance, please review your address numbering to ensure that your home is compliant.

2017 National Night Out a Success!

Thank you to everyone that attended!

On Tuesday, August 1st, the city hosted our annual National Night Out event at Linear Park to celebrate the partnership between our local law enforcement officers and our community. Residents of all ages enjoyed free food, live music, games, and swimming! Volunteers cooked and served more than 1,000 hotdogs and 1,000 hamburgers.

The City would like to thank all of those that participated in the event and volunteered their time to once again make National Night Out such a wonderful event! We'll see you again next year!
