Wildlife Nuisance?

Contact the KDWP with Questions and Concerns

During the spring and summer months, it is common for residents to encounter young wild animals on their property. Skunks, raccoons, possums, and several other kinds of wildlife can often be a nuisance to your family or your pets.

Attempting to rid or remove a wild animal from your property may cause a variety of problems and health hazards for both you and the animal.

If you have any questions regarding the handling or removal of harmful wildlife, please contact the Kansas Department of Wildlife and Parks (KDWP) Wichita office at 316-683-8069.
