

Water-Wise Tips

Planting your garden in the spring and fall requires less water.

Use 2-4 inches of mulch around plants to decrease evaporation.

Water plants by hand to get water right where it is needed.

Mayor's Message

Hello Friends and Neighbors:

If you're like me, you've spent the last couple of weeks trying to get some spring cleaning done, which works out perfectly to be able to take advantage of the citywide Garage/Yard Sale Day the first Saturday in May. It is a great opportunity to unload some "treasure" that someone else in town could be looking for. The following Saturday the city will host a clean-up day where residents can bring your unwanted refuse for disposal.

Unfortunately, there are some items that we cannot take, so if you're in doubt about what items we will have to turn away, please check on our city web page, or call city hall and ask. Hopefully that will get us all ready for the warm, sunny summer days ahead.

Best wishes,
Marcey

Spring Cleaning

The city-wide yard sale is going to be from May 1st -3rd. The community yard sale weekend is an opportunity to sell the "treasures" in your basement for a little extra cash. Residents around the community will be hosting yard sales during the first weekend in May, and we encourage you to do the same.

Following the community yard sale on May 10th, there will be a dumpster at the City public works facilities. This is an opportunity for you to finish your spring cleaning. The dumpster will be located at 1206 S 199th St. W from 8am-12pm.

Municipal Code Updates

A brief summary of some recent changes to the Municipal Code

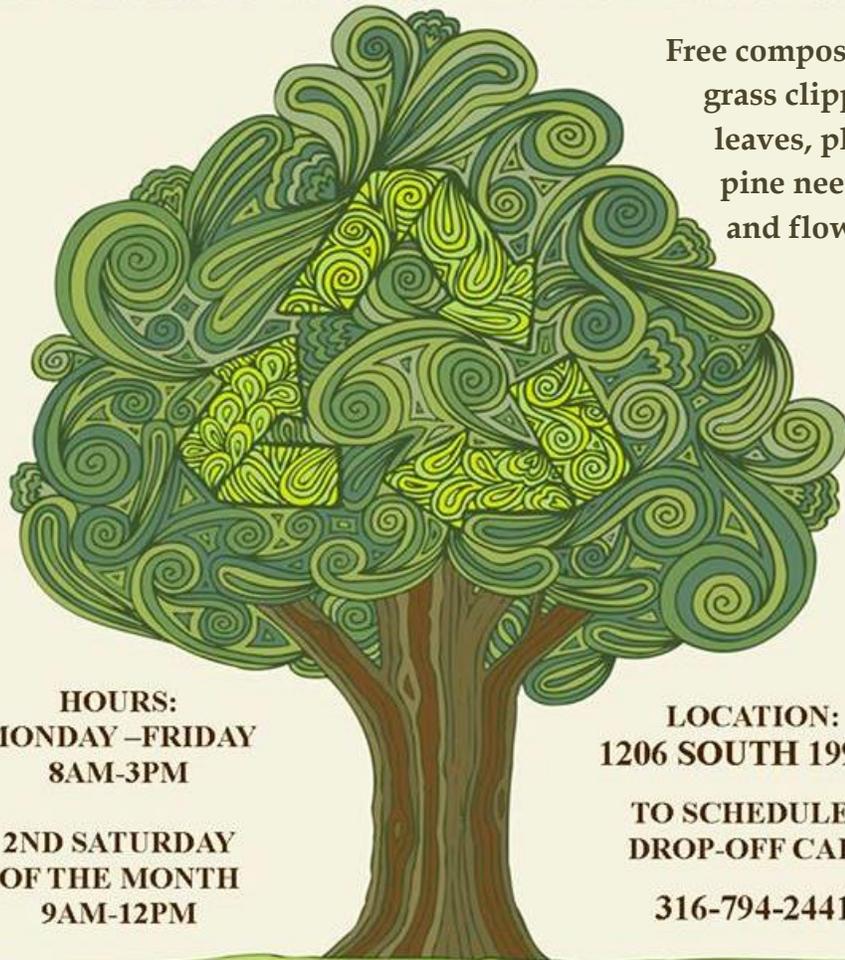

During the first quarter of 2014 there have been a few changes to the City's Municipal Code. The City Council updated the Municipal Code on fireworks to make aerial lanterns illegal within the City limits, and permit pricing on firework tents was changed to be more competitive with other cities. Codes regulating temporary storage containers were updated; temporary storage and dumpsters are only allowed with a permit for 30 days (cost \$35)

The court ordinances were changed to allow for an additional court session, and traffic diversions will be offered starting July 1st.

The policy regarding street closures was also changed, which will require all closures to go through the City Council.
